

STATEMENT OF SUPPORT

TO: The community of historians of science, medicine and technology and the philosophers of science in Ukraine

FROM: The Baltic Association for the History and Philosophy of Science

Dear colleagues,

We are shocked, saddened and angered by the tragic, unprovoked and mind-boggling War in Ukraine. We admire the courage and determination of the Ukrainian government and people to resist this inhuman aggression. We stand in solidarity with you and your families and friends. We offer to help in any way that we can. Please let us know.
